Nothing contained herein shall obligate Amgen or any Amgen Group member to any exclusive relationship with Supplier or to purchase any minimum amount from Supplier or restrict Amgen or any Amgen Group member from contracting with any competitor of Supplier. In the event of conflict between these standard terms and conditions, the express terms of an Order, and, if applicable, a negotiated and fully executed agreement between the Parties pertaining to the Services contemplated in the corresponding Order ("Executed Agreement"), the order of precedence shall be the Executed Agreement, the terms of the corresponding Order and then these standard terms and conditions. This Agreement, along with the documents referred to in the Order and the Executed Agreement, if applicable, contains the entire agreement between the Parties with respect to the matters to which it refers, and contains everything the Parties have negotiated and agreed upon. Any and all other defined terms not otherwise defined herein shall have the meanings set forth in the Agreement. To the extent there is a conflict between the definitions in this AI Schedule and any definition in the Agreement, the definitions in this AI Schedule shall control with regard to this AI Schedule only. For any capitalized term used in this AI Schedule that is not defined herein or in the Agreement but is substantially similar in meaning to a defined term in the Agreement, such term shall be interpreted to have the meaning of the most equivalent defined term in the Agreement, as the context requires.

1.1. "AI" means machine-based systems that can, for a given set of human-defined objectives, make predictions, recommendations, or decisions influencing real or virtual environments. Artificial intelligence systems use machine- and human-based inputs to perceive real and virtual environments; abstract such perceptions into models through analysis in an automated manner; and use model inference to formulate opinions for information or action.

1.2. "Agentic AI" means AI systems capable of pursuing goals, making autonomous decisions, and initiating actions in dynamic environments with limited human oversight, often exhibiting adaptive or problem-solving behaviors.

1.3. "AI Output" means data, text, images, and any other content generated by AI Tools as a result of a Prompt. AI Outputs are Company Materials and are considered Company's Confidential Information.

1.4. "AI Tool" means any software application, model, algorithm, tool, technology, platform, or system that implements or leverages AI to perform tasks typically requiring human intelligence, including but not limited to natural language processing, deep learning models, machine learning, image recognition, data analysis, content generation, and decision-making. AI Tools include any software or system that automates or augments decision-making, content generation, analysis, or task execution, as well as Agentic AI, Generative AI Tools, and Predictive AI Tools.

1.5. "Company Materials" as defined in the Agreement shall, for purposes of this AI Schedule, also refer to Deliverables, Work Product, Intellectual Property or similarly defined term in the Agreement referring to materials owned by or licensed to Company pursuant to the terms of the Agreement.

1.6. "EU AI Act" means Regulation (EU) 2024/1689 of the European Parliament and of the Council of 13 June 2024 laying down harmonised rules on artificial intelligence and amending Regulations (EC) No 300/2008, (EU) No 167/2013, (EU) No 168/2013, (EU) 2018/858, (EU) 2018/1139 and (EU) 2019/2144 and Directives 2014/90/EU, (EU) 2016/797 and (EU) 2020/1828 (Artificial Intelligence Act).

1.7. "Generative AI Tool" means a pretrained or fine-tuned AI Tool designed to generate synthetic content, including text, images, video, audio, or code, based on patterns learned from training data and user inputs (Prompts). Generative AI Tools are typically distinguished from Predictive AI Tools, which are designed to forecast or classify outcomes rather than produce novel content.

1.8. "Predictive AI Tool" means an AI Tool that analyzes existing data to forecast or classify future or unknown outcomes, without generating new synthetic content.

1.9. "Prompts" means data, text, images, instructions, and other content obtained from Company and/or any of Company's designees that has been input into an AI Tool to generate AI Output. Prompts are Company Confidential Information.

1.10. "Training Data" means data, text, images, and other content used to train, validate, customize, test or improve an AI Tool.

2. USE OF AI TOOLS.

Counterparty shall inform Company about any use of AI Tools to perform the Services, including incorporating any content generated by AI Tools into any Company Materials.

3. COMPANY MATERIALS CREATED USING AI TOOLS.

Counterparty shall identify all Company Materials, or portions thereof, created or developed using AI Tools, and ensure that Company Materials created using AI Tools are marked in a legally compliant manner (in particular, as the results of using

Generative AI Tools) and upon request from Company, Counterparty will identify and describe the AI Tools used to create or develop the applicable portion of such Deliverable.

4. USE OF COMPANY CONFIDENTIAL INFORMATION.

Counterparty shall not, and shall ensure its Representatives shall not, utilize or employ Company Confidential Information in any AI Tool unless Company provides its express consent in writing. Notwithstanding the foregoing, Counterparty may use or employ Company Confidential Information within an internal, secure, access-restricted, non-public instance of an AI Tool that is dedicated solely to the Counterparty to the extent necessary for the purpose of performing Counterparty's obligations under the Agreement, subject to Counterparty's compliance with the confidentiality, security, and non-use terms and conditions of the Agreement, and provided that Company Confidential Information is not used to train, fine-tune, improve, or otherwise enhance any AI Tool.

5. REPRESENTATIONS, WARRANTIES AND COVENANTS.

In addition to the other representations, warranties and covenants set forth in the Agreement, Counterparty represents, warrants, and covenants to Company as follows:

5.1. Counterparty and its Representatives: (a) have obtained sufficient rights (including any applicable license rights) in and to all Training Data used to customize, train, or improve the AI Tools used by or on behalf of Counterparty in connection with the Services, (b) have made all necessary third party disclosures regarding such Training Data and all AI Tools used by or on behalf of Counterparty in connection with the Services, and (c) obtained all necessary third party consents in connection with such Training Data and all AI Tools used by or on behalf of Counterparty in connection with the Services.

5.2. Counterparty's or its Representatives' use of Training Data to train any AI Tools used by or on behalf of Counterparty in connection with the Services does not and will not infringe or otherwise violate any rights (including without limitation any intellectual property rights or privacy rights) of any third party.

5.3. Counterparty has adopted or will adopt reasonable practices aligned with the EU AI Act regarding transparency of training data, and compliance with applicable copyright laws, including obligations to respect opt-out indications by copyright holders under Article 4(3) of Directive (EU) 2019/790.

5.4. AI Output generated by AI Tools used by or on behalf of Counterparty in connection with the Services, or Company Materials created using AI Tools, or the use of such AI Output or Company Materials, will not infringe or otherwise violate any rights (including any intellectual property rights or privacy rights) of any third party and will not violate any Applicable Laws.

5.5. Without limiting Counterparty's obligation to comply with all Applicable Laws under the Agreement, Counterparty shall perform the Services in compliance with the EU AI Act, and adhere to all other Applicable Laws and industry standard policies, procedures and/or voluntary commitments relating to the ethical or responsible use of AI Tools, including applicable EMA guidelines, and any other applicable national or international pharmaceutical and AI regulatory frameworks, policies, protocols, procedures, and voluntary commitments related to the use of AI Tools.

5.6. There has been no claim, complaint, proceeding, or litigation alleging that the AI Tools or any Training Data is or was falsified, biased, discriminatory, untrustworthy, anticompetitive, violative of civil or other fundamental rights or manipulated in an unethical or unscientific way, or does not comply with Applicable Laws. During the Term of the Agreement, Counterparty shall immediately notify Company upon becoming aware of any such complaint, claim, proceeding, or litigation.

6. MITIGATION.

Counterparty shall immediately notify Company in writing upon becoming aware that it is in breach of any representation or warranty in this AI Schedule. Counterparty will use best efforts to promptly mitigate and resolve any breach of any representation or warranty in this AI Schedule, including in response to any complaint, claim, proceeding, or litigation described above. Counterparty will keep Company informed of, and will cooperate with Company in connection with, Counterparty's efforts to mitigate and resolve any such breach, complaint, claim, proceeding, or litigation.

7. TRANSPARENCY.

Counterparty shall cooperate with and provide all information requested by Company in connection with any assessment conducted by Company relating to the AI Tools used by or on behalf of Counterparty in connection with the Services, including its AI Output and Training Data and Counterparty's obligations under AI Schedule. If Counterparty uses any AI Tools to create Company Materials, Counterparty shall disclose to Company the names of the AI Tools that were used. Counterparty shall also cooperate with Company in responding to any regulatory inquiries, audits or other requests that Company receives from or commenced by any governmental body, standards body, or similar entity relating to the AI Tools used by or on behalf of Counterparty in connection with the Services, including its AI Output and Training Data.

8. RIGHTS AND OWNERSHIP.

Company retains all right, title and interest in the Prompts and AI Output, and nothing in the Agreement or any Order transfers to Counterparty or its licensors or Representatives any ownership interest in the Prompts or AI Output. Counterparty and its Representatives shall not (a) reproduce, distribute, display, perform, prepare derivative works of, or otherwise exploit the Prompts or AI Output or Company Materials created using AI Tools in any manner, or allow any third party to do the same, or (b) create at the request of third parties any works, pieces, materials, publications, the use of which (including fixation, reproduction or distribution) would constitute an infringement of the rights to the Prompts, AI Output or Company Materials created using AI Tools, if these were protected by copyright, except to the extent expressly permitted by Company and described in an Order. At

Company's request, Counterparty shall perform, or cause to be performed, meaningful human review, intervention, and modification of Company Materials created using AI Tools to the extent reasonably necessary to support copyright protection under applicable law. Upon reasonable request, Counterparty shall provide documentation describing the nature of such human contributions.
